Details

All three (3) locations can be a part of a group bid or can be quoted as separately. All equipment and furniture will need to be moved during the work performed and returned to its original place upon completion. These offices have standard business hours of 8:30am to 5pm, and the work should be performed in a manner that has as minimal impact on the staff and the sites operation as possible. Weekend and after business hours work is required as it would-be best-case scenario to be able to work around the office schedules.

Site Visits

Robert Holbert, Director of Facilities (contact information below), can be contacted to schedule a time to view/tour each location, or field any questions regarding the request for quotes.
