

Primary Health Network is accepting bids for the following paint and wall repair projects with the scope of work outlined below:

- **Petroleum Valley Medical Center, 296 Church Street, Petrolia, PA 16050**
- **Beaver Falls Health Center Primary Care (Lower Level), 1302 Seventh Avenue, Beaver Falls, PA 15010**
- **Dayton Way Health Center, 1 Dayton Way, Sharon, PA 16146**

Details

All locations can be a part of a group bid or can be quoted as separately. All equipment and items hanging on the wall will need to be removed prior to painting and returned to its original place upon completion. These offices have standard business hours of 8:30am to 5pm, and the work must be performed in a manner that has as minimal impact on the staff, patient, and the sites operations, as possible. Weekend and after business hours work is required to accommodate patient care.

The offices located at the addresses above need minor wall repairs (scuffs, scrapes and dings need filled in) prior to a complete paint job. The complete paint job should include repainting of trim work that is already painted, including door frames. The paint to be used is Sherwin Williams Durations paint – eggshell, the main color is SW7050 – Useful Gray and accent wall color of SW7052 – Gray Area.
