

Primary Health Network is accepting bids for concrete sidewalk replacement to be performed at the following locations:

Location: Mercer Primary Care, 737 Greenville Road, Mercer PA, 16137

The medical office building located at this address needs to have all sidewalks replaced. The main sidewalk pathways around the entire facility is approximately 1,900 sq ft of sidewalk space.

Location: New Castle Primary Care, 1112 South Mill Street, New Castle PA, 16101

The section of sidewalk along Mill Street, from the front steps to the entrance of our ADA ramp. This area is approximately 550 sq ft of sidewalk space.

Details

The bulk of the work needs to be done during off hours and weekends. Both medical offices are open M-F until 5PM. It is the responsibility of the contractor to ensure the safety of staff and patients around the worksite, while performing the work and in-between phases of the project. All new sidewalks must be ADA compliant.

Site Visits

Robert Holbert, Director of Facilities (contact information below), can be contacted to schedule a time to view/tour each location, or field any questions regarding the request for quotes.
